

A horizontal bar chart comparing the implicit markup for 15 countries, categorized by firm type: Monoproduct (blue) and Multiproduct (orange). The x-axis represents the implicit markup, ranging from 0 to -0.9. The y-axis lists the countries. For each country, there are two bars: a blue bar for Monoproduct and an orange bar for Multiproduct. In all cases, the Multiproduct markup is higher (less negative) than the Monoproduct markup.
